## **DEFINITIONS**

**"Seed dealer"** means any person that lets it be known by any means or manner that he has seed offered for sale.

**"Labeling"** includes all labels, and other written, printed, or graphic representations in any form whatsoever, accompanying and pertaining to any seed whether in bulk or in containers, and includes invoices.

**"Condition"** means drying, cleaning, scarifying and other operations which could change the purity or germination of the seed and require the seed lot to be retested to determine the label information. Other 'Conditioning' operations include, but not limited to, adding fertilizers or other inert matter, chemical or natural treatment, mixing seed blends or mixtures, and repackaging.

**"In-state seed dealer"** means any seed dealer with an established plant, warehouse or place of business in the state of Idaho.

**"Out-of-state seed dealer"** means any seed dealer selling or shipping seed into the state of Idaho without owning an established plant, warehouse or place of business in Idaho.

## **EXEMPTIONS**

Please contact the office if any of the following apply to your business.

In-state producers selling their own crop shall be exempt from this section.

Any person selling seed who has total annual gross seed sales not exceeding five hundred dollars (\$500) is exempt from this section.

An in-state seed dealer or an out-of-state seed dealer, who sells, offers for sale, exposes for sale or delivers seed only in packages of less than eight (8) ounces shall be exempt from this section.
